### Property Description

Beautiful estate on 4.3ha with vue on the Pyrenees.

This beautifully converted estate is a feast for the eyes. Completely privately located on a long driveway and yet a stone's throw from a village with various facilities.

The house with the outbuildings is situated in such a way that a beautiful courtyard has been created. It is mainly built in the typical style of this area, namely walls built with boulders.

All windows are double glazed. The house is excellently insulated and equipped with a pompe à chaleur. The house almost only has large spaces. Even the bathroom measures over 28m<sup>2</sup> with private balcony with a staircase to the garden where a jacuzzi is planned.

The kitchen is fully equipped and flows into a huge utility room followed by a large technical room, where there is a sauna for 3 people.

To the left of the entrance the dining room followed by the large living room of plm 100m<sup>2</sup>. Then another room with bar.

The stairs upstairs lead to a master bedroom with the super large bathroom. Left 2 bedrooms with a shared bathroom. Attached to it is a large space where an office is located with a sitting room. Here the stairs to the tower that offers a view of 360 degrees. Could be a yoga room.

On the estate there is also a large barn, a carport / open barn and an open barn adjacent to the courtyard. A tunnel greenhouse and a semi above ground swimming pool.

Total: 4.3 ha around the house.

If you like space, tranquility and luxury, this is the ultimate home.

I hope to show you around soon.

### Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
