Property Description

This property is a sunny, bright and welcoming village house with a secluded garden and private pool plus a balcony overlooking Codalet's village square. Decorated in a vintage style, the three bedrooms comfortably sleep 6 people with stunning views from the room.

Codalet is ideally placed for walking, hiking and biking holidays in the Pyrenees, within easy reach of the Mediterranean beaches and the Costa Brava, with the market town of Prades on your doorstep - just 10

minutes' walk away.

The house is a traditional Catalan design with huge thick walls so it stays cool in summer. A little higher up the valley than the hot plain near Perpignan, the air is cleaner, while still enjoying over 300 days of sunshine a year, and the night-time temperatures are mercifully cooler than you would imagine for this part of southern France.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
