Property Description

In La Romieu, Magnificent stone property featuring a 285 m² main house, a convertible outbuilding, a large garage, a lovely swimming pool and 26 hectares of parkland and meadows.

The gate opens onto a charming tree-lined driveway that leads to the main house, leaving on the left a spring that fills a lovely pond where it's nice to cool off in summer, a little further a large orchard, and on the right a beautiful wooded park. The imposing stone building has been renovated with great taste and quality in the choice of materials and architecture. The entrance hall with its beautiful marble staircase leads to a spacious living room with stone fireplace and ceramic wood-burning stove, and a very large, fully fitted and equipped kitchen, which opens onto the terrace. A 2nd living room leads to a guest bedroom with private bathroom, and behind the kitchen an old barn has been converted into a beautiful party room. Upstairs, a study, the master bedroom with fireplace, shower room and dressing room, and a 3rd bedroom with shower room, mezzanine like a 'tree house' and access to the garden. The house also features a cellar with storage and wine cellar.

An outbuilding features a 130 m² garage for cars and garden equipment, plus a carport for 4 vehicles. Another outbuilding remains to be converted if you have plans for a gîte or similar.

The 26 hectares of parkland and meadows are free of any commitment, which is rare

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
