Property Description

In a unique setting, this villa located on the banks of the Peyriac-de-mer pond, offers sublime views, exceptional light with flamboyant colors at sunrises and sunsets.

Located on a plot of 1519m² divinely planted with Mediterranean species with a swimming pool, having been extended in 2008, the house has 253m² of living space as well as 279m² of usable space (various terraces, garage, shelters).

It opens on the ground floor onto an entrance hall leading to a living room with stone fireplace, and a large bay window opening to a shaded terrace, a separate fully equipped kitchen leading to a veranda overlooking the garden and the swimming pool, an office (or a bedroom), a bathroom, a corridor, a bedroom with adjoining bathroom, a pantry, a laundry room and a large garage of 61m².

The first floor includes a large landing that can be used as an office, a very beautiful master suite with dressing room and shower room leading to its terrace with views, 2 other bedrooms with adjoining shower room and bathroom, a very bright and large living room with equipped kitchen and dominant views over the pond, ideal in winter as it opens onto a sunny terrace.

The exteriors offer two carports, and various other parking spaces.

While being out of sight, this villa is at walking distance of the amenities.

Peyriac-de-Mer is a peaceful village, ideally located, close to many destinations: Narbonne (15 minutes), Port la Nouvelle (20 minutes), Gruissan (30 minutes), Perpignan (44 minutes), Carcassonne (55 minutes). In the heart of the Narbonnaise Regional Natural Park, this Côte du Midi village has retained its small medieval streets, its typical “place du village” and its fountain in the shade of the trees between land of vines, hills and coastline.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
