Property Description

Located on a plot of more than 4700m², large architect-designed villa of 323m² in the town of Corneilla del Vercol, close to beaches and amenities.

With huge bay windows, cathedral ceiling, indoor patio with exotic species and glass roof - the central part of the house - the entire ground floor is exceptionally bright and allows you to enjoy the views on the garden and its various terraces. The stone walls and the architectural style give this house an enormous amount of charm and character.

The ground floor offers a dining room, a living room with fireplace, a kitchen, a pantry, a master suite with bathroom, sauna and dressing room, two bedrooms with fitted wardrobes and bathroom, a separate toilet and a laundry room. A large garage also gives access to the house from this level.

The 1st floor has two bedrooms (one with a terrace), a bathroom, a separate toilet, an office and a large mezzanine space giving access to a terrace.

Corneilla Del Vercol is a typical town of the Plaine du Roussillon, just 10 minutes from the beaches of Saint Cyprien and its international golf course (27 holes), less than 20 minutes from Collioure and 15 minutes from downtown Perpignan.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
