Property Description

Ideally located facing the Bois de Vincennes, benefiting from an unobstructed view without vis-à-vis, this bourgeois apartment of 189 sqm Carrez, accompanied by two maids' rooms totaling 11.5 sqm, is nestled on the fourth floor of the most beautiful building Napoleon III of the Chaussée de l'Etang.

The cut stone, the stylish hall, the marble staircases, the wrought iron banisters and the stained glass windows

give this building a style of yesteryear.

The vast marble entrance distributes on the one hand, a living room of 42 sqm at a beautiful height, decorated with a fireplace, a carved oak library and a bow window, all extended by a balcony offering a view above the trees of the Bois de Vincennes.

Separated by a double door, the 20 sqm dining room also benefits from a balcony, solid oak parquet flooring and period moldings.

This set is bathed in light throughout the day, particularly thanks to the multiple windows.

On the other hand, from the entrance, a custom door reveals a hallway with plenty of storage space then a master suite with dressing room and Emaux de Briare style bathroom with a bathtub covered in gold leaf, a shower and a Separate WC. A second hallway leads to three bedrooms, two of which have a shower room.

Continuing on, the U-shaped plan allows for an independent kitchen on the other wing of the apartment with direct access to the service staircase leading to the two maids' rooms located on the 5th floor.

The noble and refined materials, the calm and the generous volumes make this property unique in the sector.

Two cellars complete this property subject to co-ownership status.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
