Property Description

Located on the banks of the Seine, in the old Conflans district, discover this 211 sqm house, built on land of almost 650 sqm. This property, completely renovated with high-end services, is spread over three levels: it tastefully combines elegance and modernity, offering an ideal living environment for those seeking comfort and refinement just forty minutes from the frenzy of Paris. Interior Spaces: On the ground floor, a large living

and dining room welcomes you, decorated with Hungarian point parquet flooring, moldings and a marble fireplace. Combinations of contemporary and classic touches create an elegant yet warm environment ideal for entertaining. The kitchen, for its part, combines aesthetics and high-end materials. To complete the reception floor, an essential element will delight movie buffs: a real cinema room with professional equipment for private cinema sessions or to enhance immersion in the world of gaming. The upper floor houses the master suite, according to the rules of the art, like a hotel suite: a true haven of peace with its dressing room, its open bathroom, and its free-standing bathtub, with the added bonus of a soothing view on the Seine. Two other bedrooms, currently converted into a playroom and an office, complete this level. The second floor, accessible via a discreet and functional laundry room, reveals two bedrooms or two rooms with appreciable versatility for leisure or office needs. Outdoor Spaces and Environment: Opposite the house, accessible from the courtyard, a spacious workshop offers considerable potential: additional accommodation, creative studio, work or storage space, depending on your needs. The house reveals, once through the porch, a welcoming garden, offering a peaceful space for relaxation or outdoor receptions. It also presents the possibility of creating a terrace above the cinema room, providing additional space for outdoor relaxation. The house overlooks the banks of the Seine, an ideal place for walks, running sessions or nautical escapades. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
