Property Description

It is in one of the most sought-after streets in the Polangis district, where arms of the Marne and abundant vegetation coexist, that this 289m2 family house, designed by an architect and built in 2019, unfolds like an observatory.

A town whose reputation is well established, Joinville-le-Pont is loved for its old film studios, its festive taverns and its lively banks of the Marne which elevate it to the rank of ambassador of a certain art of living French so popular with families.

The entrance, welcoming and functional, leads to a very beautiful living room whose numerous openings flood it with light, inviting you to contemplate the arm of the Marne.

A discreet kitchen equipped with high-end tailor-made equipment also takes place there.

As for it, the master suite on one level has a dressing room, a bathroom with WC and has access, also on one level, to the green terrace of the living room.

Terrace which leads to the rest of the garden and its coveted private bank. A separate WC completes this level.

Upstairs, a large bay window once again offers a unique view, giving this space all the desired tranquility. Here, four bedrooms, two of which have very large wall fittings, a shower room, a bathroom and a separate toilet, complete this perfectly bright level.

A second staircase leads to the 100m² attic which offers a generous attic bedroom as well as a large office space. A second master suite can still be dreamed of thanks to the facilities present.

The additional 76m² offered by the basement accommodate areas essential for family life such as a laundry room, a sports area and storage rooms.

This home is definitely an ode to Mother Nature.

Immersed in a mineral and green atmosphere, where water activities are part of everyday life, it offers an exotic and refreshing contrast just 10 minutes from the station and close to all amenities.

At the gates of Paris, the emblematic Joinville is inevitably a place where life is good.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
