Property Description

Out of sight, behind its imposing entrance porch, hides a charming stone house recently renovated with great care. Once the majestic door is closed, you are pleasantly surprised by an adorable courtyard without any overlooked area. The vegetation and the different spaces judiciously placed depending on the exposure will allow you to have lunch in the shade with your family, to sunbathe in the afternoon, or to enjoy an aperitif

with friends under the arbor. in wood at sunset. The house benefits from an L-shaped plan which allows it to offer an original and atypical layout. A large boudoir-style entrance leads to a pleasant living room with fireplace which has been equipped with a wood stove and has bay windows giving direct access to the terrace, a fitted and equipped kitchen in a chic country style also overlooking the exterior courtyard , then its back kitchen, guest toilet. On the first level, a landing with storage cupboards serves on one side: a charming bedroom with careful decoration as well as a bathroom with an in-ground bathtub. On the other side, a surprising living room, partly cathedral and crossing, which gives it beautiful light. This could easily be transformed into one or two additional bedrooms. Finally, a second equally charming bedroom with its private bathroom completes this floor. Above, a converted attic made up of several rooms in a row which can become a space dedicated to children for their greatest happiness. From the courtyard, a double door invites you to descend into a maze of beautiful vaulted cellars allowing easy additional storage. Nothing can replace a visit to discover this unique property and fall under its charm! Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
