Property Description

Discover this unique house, reflecting the freedom and creativity of its occupants: each room becomes a living painting, and each decorative detail is an invitation to travel. The 37 sqm living room is the heart of this house with its warm atmosphere and its walls decorated with original works. It reveals a strong personality, with its walls decorated with woodwork from Canadian barns in warm colors, and its open fireplace. The kitchen, measuring almost 16 sqm, is a friendly and practical space, perfect for simmering your favorite dishes. The 12 sqm master bedroom, on one level, with its private bathroom offers a pleasant and well-appointed personal space. The 2nd living room, crossing, promises a multiplicity of uses, and opens directly onto the terrace and the garden. It also leads to the 2nd bedroom, thus benefiting from direct access to the garden. An office, or small bedroom, completes this level, thus creating a full single-storey, so rare and so sought-after! The 30sqm bedroom upstairs is a real cozy nest, ideal for accommodating children with a games room, or a teenager looking for independence and tranquility. The artistic soul of the house is fully expressed in the two spacious workshops, offering vast volumes to give free rein to your inspirations. Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
