Property Description

Ideally located in Perreux sur Marne, between the city center and the RER E station of Nogent-Le Perreux, this house from the 40s has been completely reinterpreted to give birth to a 131.90 sqm loft where contemporary and vintage are harmoniously combined.

On the raised ground floor, a magnificent 70sqm plateau offers up to 5m of ceiling height, benefiting from constant brightness thanks to its large bay window and skylights.

The combination of wood, metal and concrete combine perfectly to offer an inimitable architectural style.

The equipped kitchen opens onto the living room arranged in open space where the living room and the dining room are harmoniously organized.

This reception area benefits from a breathtaking view of the terrace and the west-facing garden.

From this plateau, a remarkable custom-designed wooden staircase leads upstairs, giving access to a large bedroom whose old-world charm is preserved by its beams and slightly sloping ceiling.

In addition, a spacious shower room with WC, decorated with red and white ceramic tiles, gives it a resolutely retro style.

On the mezzanine, a second bright bedroom of 19sqm is revealed, whose large openings offer a bucolic view of a pretty flower bed and the terrace.

A custom-designed, rounded bathroom with WC completes this level. In the garden, a second 70sqm house in its raw state with sliding aluminum glass roofs and a zinc roof offers infinite potential: to accommodate the family, practice your liberal activity or set up an artist's studio.

On the garden level, a workshop and a garage enhance this property. Quality insulation and

double glazing ensure excellent energy performance, rated C, thus guaranteeing thermal comfort throughout the year and energy savings.

This atypical loft with its architectural style and bucolic setting offers a modern and friendly living space. RER E Nogent le Perreux 5 minutes walk Shops 500m away

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
