### Property Description

This magnificent flexible of 103 sqm Carrez (112 sqm on the ground) with its terrace of 39 sqm, in a quiet area, is located halfway to the RER and the town center of Rueil-Malmaison.

The entrance discovers a large US kitchen with its dining area which extends into the living room area, very bright under an Eiffel glass roof and opens onto the beautiful terrace.

A separate WC is located at the entrance.

The staircase leads to the completely reinvented basement with its stone walls and offers a bedroom area with its small adjoining living room/office. As an extension, a large dressing area leads via a corridor to the large shower room with WC of 12 sqm. The complete renovation of this level with quality materials and its double flow VMC make it a cozy nest for an atypical parental suite of 43 sqm.

A second adjoining bedroom could take the place of the small living room.

A 27 sqm outbuilding, at the end of the terrace, has been converted into a charming little duplex with its shower room and WC as well as its sleeping area on the mezzanine, ideal for a teenager or for an independent office / guest bedroom .

The calm, the proximity to the shops, the city center and the RER A, the assumed atypical design and the terrace will appeal to connoisseurs of unconventional rare goods.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
