Property Description

In the sought-after Hoche neighborhood, located on the 2nd and top floor of a gated and secure residence, this 144m² (Carrez law) loft, redeveloped from a former marble factory, captivates with its industrial character, its glass roof, and its 100m² (1,184 sq ft) west-facing rooftop terrace.

Upon entering, a bright office space opens onto the terrace and creates a seamless visual continuity with the living room thanks to its interior glass roof. The inviting, light-filled living area is centered around a cozy lounge and an open kitchen with a simple, contemporary design.

A master suite offers beautiful amenities with a full bathroom (shower and bathtub) and ample custom-made storage. Two additional bedrooms, each with their own bathroom, ensure comfort and privacy for all occupants. A separate laundry room provides additional functional space. Outside, the 100 m² terrace is a true extension of the living space and enjoys optimal sunshine all day long, ideal for meals, relaxing, or summer evenings. An outdoor closet, accessible from the terrace, provides convenient storage space for outdoor furniture, tools, and other equipment.

Two parking spaces complete this property. Colombes train station (Line J to Saint-Lazare in 11 minutes) and the city center are within walking distance in 5 minutes. The Hoche school is in the immediate vicinity.

This unique loft combines industrial charm, brightness, and a smart layout in a prime location.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
