Property Description

Nestled in the heart of the 13th arrondissement, just steps from the Tolbiac metro station and Parc de Choisy, this exceptional 240.89 m² (217.54 m² Carrez) loft, located in a quiet street, is shielded from the urban hustle and bustle.

Like a sanctuary, this unique space unfolds around a private 27 m² courtyard and an 11 m² terrace on the first floor, welcoming us upon entry into an outdoor bubble of calm and light.

The living room, a place for gathering and sharing, is the heart of this loft, which feels like a home.

It is bathed in light thanks to the glass roof and numerous large windows. It offers an unobstructed view of the courtyard, which becomes a natural extension of the interior. Stairs and corridors lead from this living room to the various spaces, each designed to meet the specific needs of its occupants while preserving their privacy.

On this same level, four bedrooms share a bathroom and a shower room.

It is worth noting that this space benefits from a second independent entrance, allowing for the possibility of running a liberal profession.

On the first floor, a charming master suite has its own access to a private terrace, perfect for peaceful relaxation.

In the basement, a games/TV room and a vaulted billiard room have been created for family or friends' leisure time. The property also stands out with its indoor swimming pool, offering year-round use regardless of the weather conditions.

The location is ideal, close to Place d'Italie, schools, shops, and restaurants. Well served by public transportation (lines 5, 6, 7, and 14), it is easy to reach the center of Paris or Orly Airport.

The perfect blend of energy, comfort, and privacy makes this property a unique place where

the rare outdoor spaces in Paris offer an exceptional living environment, both intimate and extraordinary.

Two parking spaces in the neighboring building can be sold separately.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
