Property Description

In the immediate vicinity of Parc Monceau and the Courcelles metro station, this 148.87 sqm (147.20 sqm Carrez) family apartment occupies the 3rd and top floor of a former private mansion, with a staircase, and offers a 44 sqm rooftop terrace.

Upon entering, the gaze is lost in the open spaces and the unique architecture of the place.

A central glass roof structures the space, bringing natural light and breathing space to the heart of the apartment.

The living room, with its clean lines, unfolds under a generous height of up to 4 meters. A minimalist fireplace warms the atmosphere, while the open kitchen is a continuation of the space, with sobriety and discretion.

The living spaces have been privileged and total nearly 80 sqm.

On the night side, the master bedroom benefits from its own bathroom.

Two further bedrooms, a bathroom, a separate toilet, and a glass-roofed office - ideal for a workspace or a fourth bedroom - complete the property.

Outside, the green rooftop terrace offers a rare glimpse of the 17th arrondissement's rooftops.

The spirit is clear : a confidential address, a separate living space, somewhere between a family apartment and a hilltop house, where every detail has been designed for comfort, calm, and light.

A parking space in the neighboring building can be offered as an additional service.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
