Property Description

In the heart of Clichy, just steps from the town hall, nestled behind a small building, lies this 209.34 m² (244 m²) Carrez law apartment built around a courtyard of approximately 70 m².

This unique project is the result of the renovation of several workshops, now transformed into a unique and extraordinary home.

Passing the building's lobby, an imposing gate reveals a true haven of peace with its lovely tree-lined courtyard featuring a dining area, a garden lounge on the terrace, and an ornamental fountain.

The apartment entrance, embellished by a master glassmaker's beautiful stained-glass windows, opens onto a vast 69 m² living space built around a beautiful custom-designed wrought iron staircase illuminated by a glass roof. It separates the kitchen and dining room from the living room, which features a fireplace.

Upstairs, a wrought iron-lined passageway leads to three bedrooms (one with its own bathroom) and a large landing leading to an attic office. This leads to a second bathroom bathed in light thanks to its large skylight, a laundry room, and a toilet.

Finally, you reach the large 24m² master bedroom (Carrez law), whose half-timbered walls lend undeniable charm. The bedroom provides access to the attic (34m² floor space) and leads to a spacious bathroom with a shower and a 4-person spa, opening onto a charming balcony overlooking the courtyard.

A large 12m² shed completes this property, providing additional storage space and space for bicycles and scooters.

The tranquility, the house-like feel, and the generous volumes make this property extremely rare in the area and ideal for a family seeking space and peace in the heart of Clichy.

Extremely well served by public transport: Mairie de Clichy metro station is a 5-minute walk, the Paris Courthouse and Porte de Clichy are 12 minutes away, and the Clichy/Levallois line L is 10 minutes away.

Town Hall, shops, and Ste. Marguerite school are all nearby.

Property subject to the co-ownership system.

ENERGY CLASS: D / CLIMATE CLASS: B.

Estimated average annual energy costs for standard use, based on 2021 energy prices: between euros2,530 and euros3,480.

Information on the risks to which this property is exposed is available on the Géorisques website:

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.

For more information take a look at our **buying guide**, our **french mortgage** and **euro currency exchange** pages.

Testimonials

my-french-house was by far the best online guide I found – and I trawled them all – to buying a house in France. It answers all your first questions practically before you've thought to ask.

C. BAUER – Sunday Times

Our French property purchase and move to France were made so easy with the help and assistance of my-french-house.com. They are a committed and professional business – we highly recommend them.

S. and L. BROWN
