Property Description

Just a short walk from the shops of downtown Clamart, this sublime duplex loft offers 149.5 m² of living space, featuring an 80 m² rooftop terrace. It immediately captivates with its elegance, history, and high-quality renovation.

Housed in a former 1930s dairy, fully renovated in a resolutely contemporary style, this unique property combines old-world charm with modern lines. It offers a rare, bright, and peaceful living environment, ideal for those seeking comfort, spaciousness, and high-end amenities.

Upon entering, the ground floor features four bedrooms and two shower rooms, accessible via two independent entrances. An ideal layout for a professional business or a separate reception area. Upstairs, a superb, light-filled living room features a contemporary kitchen and a dining room that is semi-open to a spacious living room, enhanced by high cathedral ceilings and the brightness of its dual aspect.

An exceptional rooftop, a true suspended cocoon, accessible via a staircase with soft, clean lines, designed by a landscaper, offers unobstructed views of the sky. This unique outdoor space invites relaxation, sunny meals, and convivial evenings in complete privacy.

The property also features a lower level converted into a basement, including an additional bedroom, a shower room, and a laundry room.

Located in close proximity to the city center, this loft benefits from a lively and sought-after environment: quality shops, a local market, a conservatory, theater, cinema, and the Hunebelle sports complex (athletics, boxing, tennis, rugby, etc.).

Clamart Forest, a veritable green haven, is just a 5-minute walk away, making nature walks within easy reach.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
