Property Description

Located on the edge of the Voie Lamarque and in the immediate vicinity of all amenities, this 174 sqm loft with a floor area benefits from a patio and a 142 sqm artist's studio. This complex benefits from a mixed destination (residential and commercial).

A gate allows you to discover a driveway sheltered from view. The 88 sqm living space under a beautiful height is organized into several areas such as the open kitchen, the dining room and the living room decorated with a wood stove. A shower room with WC, a laundry room and an office space complete this plateau.

Upstairs, accessible by a metal and wood staircase, there is a large landing room that can be easily arranged as desired, two bedrooms, one of which has a dressing room and a bathroom with WC. A separate dressing room completes this level.

The numerous openings bathe the whole in light throughout the day.

Adjacent to the living area, a 142 sqm artist's studio with generous volumes is topped with an exposed metal frame under more than 6 meters of height.

This loft and this workshop are structured around an intimate 25 sqm patio. At the front, the kitchen-diner is extended by a west-facing terrace.

Offering a unique and bright living environment, this configuration combines charm and functionality in an open and harmonious environment. The ideal location, the calm and the possibility of combining professional and personal life make this property unique in the area.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
