THE PERFUME CAPITAL BETWEEN THE ALPS AND THE MEDITERRANEAN

Grasse, located between the majestic Alps and the sparkling Mediterranean, is a town renowned as the perfume capital. It offers a sun-drenched living environment and a multitude of enchanting tourist attractions.

THE CITY OF A THOUSAND SCENTS

Nicknamed "the city of a thousand scents," Grasse is perched at an altitude of 350 meters in the Alpes-Maritimes. It overlooks vast plains perfumed with the scent of roses, jasmine, and olive trees. This ancient medieval city is famous for its historic role in the perfume industry.

AUTHENTIC PROVENÇAL CHARM

Grasse captivates with its harmonious blend of Provençal colors and the undeniable charm of its squares, narrow streets, and restored ramps and arcades dating from the 17th and 18th centuries. Nestled in a lush green setting composed of mountains, caves, and forests, the town is just a few kilometers from the sparkling shores of the Mediterranean.

Prices shown include 20% VAT.

(*) All new home purchases are subject to 20% VAT. The reduced VAT rate of 5.5% instead of 20% for the purchase of a new home as a primary residence is a major incentive for homeownership. For many, this scheme, compatible with a zero-interest loan (PTZ), is an opportunity to purchase a new home when their budget previously exceeded it. Consult the terms and conditions with your MILAN CIP advisor.

New construction advantages

All new maintenance-free constructions come with a ten-year warranty, flexible payment terms, guaranteed delivery, an energy-efficient RT2020 construction, capital gain after delivery, and optional layout and finishing adjustments when you reserve on time.

A French notary supervises the purchase, and you have our guidance until delivery. We present different sizes to each new construction project to give you an idea of the price range. Contact us to get the project brochure and to learn about the latest availability!

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
