A MODERN RESIDENCE IN THE HEART OF NATURE

The new development in the Camp Long district offers a magnificent residence composed of two distinct yet complementary buildings. The contemporary architecture blends harmoniously into the natural environment, offering modern and bright living spaces. Each apartment, ranging from 2 to 4 rooms, features deep terraces that generously let in natural light while creating soothing shade. One-third of the ground floor area is dedicated to green spaces, with more than 16 tall trees and a green and refreshing oasis at its heart, providing a true haven of peace for its residents.

The elegant architecture of the second complex echoes the main building, incorporating Provençal color schemes while adopting a "Californian villa" style that adds a modern and sophisticated touch.
