A DREAM PLACE ALL YEAR ROUND

The Côte d'Azur, a true jewel of the Mediterranean, unveils an anthology of its assets all year round. With its 300 days of sunshine per year, this region enchants each season with its chapters of happiness. In spring, immerse yourself in the preserved cultural traditions of the hilltop villages of the hinterland. In summer, relax on the legendary beaches. In fall, explore the hiking trails, and in winter, ski down the magnificent snow-capped peaks. It is at the heart of so many natural treasures that Antibes unveils its collection of lifestyles.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
