Property Description

Magnificent apartment located in the historical Château Eléonore, first castle built in Cannes by Lord Brougham in 1836 in memory of his daughter Eléonore. A magnificent private park preserved as it was at the time with tropical trees, a double driveway to enjoy a little walk.

Queen Victoria stayed in this house during her vacations in Cannes, which has changed the destiny of the

international city of cinema. Moreover the room of the queen was located in the current living room of the apartment which we propose you for sale.

Ideally located at 15 minutes walk from the Croisette and only 4 minutes walk from the beaches of the Midi, while benefiting from the absolute calm, splendid crossing apartment of 95m² located on the second floor on 2.

In a sumptuous bourgeois style with beautiful heights under ceiling (5 meters), the apartment is in perfect condition while having preserved the style of time. Beautiful moldings and ornaments on the walls that have been completely renovated in Versailles, beautiful marble floors dress this residence that will amaze anyone who enters it.

The apartment consists of an entrance, a large living room with access to a beautiful south facing terrace of 18m² with a view on the sea and an absolute calm, a dining room, a separate kitchen, a master bedroom with bathroom, a second bedroom with shower room and dressing room, a child's bedroom/office.

Private parking outside.

An atypical property for the amateurs of the bourgeois style.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
