Property Description

This stunning neo-Provençal villa offers a 180-degree panoramic view of the sea, mountains, and the historic village of Haut de Cagnes. Located in the sought-after Les Collettes area, once the residence of the artist Auguste Renoir, it enjoys an ideal position between Nice and Cannes.

The property is set within a private domain, with breathtaking views of Baie des Anges and Cap d'Antibes. Only 5 minutes by car from the beach and 15 minutes from Nice Airport, it is close to all amenities.

The villa is divided into two sections. On the ground floor, you will find a spacious living room, an open kitchen, and four bedrooms. Two of the bedrooms have access to private terraces with views over the mountains and Haut de Cagnes. There are three modern bathrooms, including a guest bathroom with an Italian shower.

On the upper floor, there is a wine cellar, a guest room, a garage, and storage spaces. The villa is equipped with reversible heating and air conditioning.

The pool, surrounded by a large terrace, offers stunning views. A stone barbecue and an outdoor shower complete the outdoor space.

The bedrooms and bathrooms require renovation but offer great potential. The upper floor could easily be converted into a separate apartment for rental or staff accommodation.

A property with great potential in an idyllic location on the French Riviera.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty).

The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days cooling off period has expired. It takes an average of three months to buy a property in France.
