Property Description

****VIRTUAL TOUR ON OUR WEBSITE**** Stone bastide in a splendid location, nestled on a hill side, just outside the village of Moustiers Sainte Marie, overlooking the village, the lac Sainte Croix, the stunning mountains and Verdon countryside. The terrace in front of this magnificent traditional south facing bastide

lets you savour the beautiful surroundings and enjoy the views of the village and its impressive rockface. Vultures float lazily overhead in the warm afternoon air.

The 160 m2 villa is built on an earthquake proof base, anchored into the rock with concrete pillars. It has on the ground floor an entry hall, a living/dining room with a built in fire place and patio doors opening out onto the partially covered terrace. A kitchen that is the dream of everyone who loves cooking; equipped with an emblematic La Cornue cooker and Trawlson fridge/freezer.

There are two bedrooms and two showerrooms on this ground floor, one opening out onto the terrace with magnificent views over the village of Moustiers.

On the first floor three more bedrooms, each with its own stunning view. The floors are still tiled with the original tomettes on the ground floor. The floors upstairs are done in parquet. This upper floor has air conditioning.

The house is surrounded by a large garden of 5690 m2, planted with olive trees, producing about 100 litres of olive oil. A swimming pool of 6 x 12 meters, surrounded by a large terrace and its pool house complete this property.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
