Property Description

Situated on 7th century castle grounds, this elegant property of 260 m² is finished to distinguished perfection. A rare and unique property in the beautiful fortified village of Vieux Cannet des Maures.

Situated in the most charming and sought after surroundings, just half an hour from the coast, St Tropez and Ste Maxime and an hour from Nice airport. The property has been completely modernized in perfect keeping with the medieaval history of the surroundings.

Every detail is beautifully finished to a high standard. On the ground floor a reception room, the kitchen with diverse storage rooms, the vaulted dining room and the wine cellar under a glass trap door.

On the first floor the 50 m² living room with high ceilings and a view out as far as the Alps. A beautiful terrace built around the castle tower, with this breathtaking view. Also on this floor two bedrooms, a large dressing and bathroom with once again this amazing view. The second floor has another three bedrooms and bathroom.

The property has a remise, which can be used as a garage. There is no garden with this property which is compensated by its lovely spacious terrace and a small area in front of the house where you can place a small table and chairs.

If you want a distinguished get away close to all the hot spots on the Côte d'Azur, you have just found it.

Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
