### Property Description

Situated on a hillside, the village of Chateauneuf Grasse is known for its unique architecture. The countryside and the bay of Cannes surround it. The town is mainly concentrated on a peninsula that spans the Vence plain. This area has been described as Provençal. Groves of fig and plane trees also mark the town's central location. The modern residence is situated on the plains, facing the Grande Bastide and a golf course. This

region is sought after due to its residential character and peaceful environment. This new residence is part of a protected environment, surrounded by luxury homes.

Your new contemporary home in Chateauneuf-Grasse is surrounded by raised gardens and is completely closed. Its intimate architecture and modern design provide beautiful views of the surrounding woods. All of the apartments have a private outdoor space or terrace. The project is mindful of the environment and has been designed to emphasize light. Its sober lines and materials are focused on the simple lines of the garden. The projections and setbacks of the terraces also play with the light and shadows.

New contemporary villa and apartment Chateauneuf-Grasse

As an owner of a new apartment in Chateauneuf-Grasse, you will enjoy a swimming pool and beautiful green spaces. The residents can enjoy a tranquil and natural environment with the help of exotic plants and olive trees. The ground floor also features a private garden that is enclosed.

The apartments and villas come in different sizes and are designed with various features. The living rooms and kitchen are open to the garden and provide a great view of the countryside. The bay and large windows allow the residents to communicate with the outside world.

The design of this apartment in Chateauneuf-Grasse is revealed through minor details. The services included in this project are designed to ensure that the residents' lives are enjoyable and stress-free. The floors are covered in 60x60 tiles in various colours and can be replaced with parquet. The walls of the bathrooms and shower rooms are covered in 20x50 earthenware, which is full height. The ceilings are also coated in white paint. The bay windows are also equipped with double glazing and are designed with roller shutter boxes. All of the windows and doors will be aluminium.

The bathrooms are equipped with high-quality sanitary fittings. These include a heated towel rail, a double or single washbasin cabinet, a wall-hung toilet, an extra-flat shower tray, and a light strip.

The new apartments in Chateauneuf-Grasse will also be equipped with an intelligent home automation system to control the home's various features. It can be programmed to adjust the temperature of the room. The floors of the terraces and balconies will be equipped with 60 x 60 porcelain stoneware slabs. The green spaces will be designed to comply with the building permit's landscaping requirements.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
