The contemporary look of this new real estate program near the city center successfully revisits the codes of Côte d'Azur housing. This intimate three-storey residence accommodates 22 apartments. Here, the architecture is intended to be light, with a building divided into two volumes connected by a common base and overhead walkways.

On the land in front of the residence will be planted a magnificent ornamental tree, native to Latin America and whose annual flowering is a delight that leaves no one indifferent. The latter will give a touch of exoticism and color to the garden of this new real estate program in Cannes La Bocca.

Each apartment has a double orientation. The assurance of a bright interior and a cozy atmosphere.

Another asset, a beautiful exterior surface extends the living room. Terrace or private garden, you can enjoy a real outdoor living room all year round.

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer.
