### Property Description

Menton is in itself a pure concentrate of the best the Côte d'Azur can offer its inhabitants. A very popular seaside resort, it has managed to preserve its Provençal authenticity, as illustrated by the exceptional beauty of its old town with its Saint-Michel basilica. Proclaimed city of the arts as indicated by its coat of arms "Artium Civitas", with its summer concerts of classical music and its exhibitions at the new Palais Cocteau,

Menton is also and above all the city of gardens and lemons, with its famous Festival.

The Borrigo district, just a quarter of an hour from the train station and a few minutes from its beach with turquoise waters, allows you to leave the car in the car park and do everything on foot: shops, schools, colleges, high school and gym.

It is possible to reach Monaco and Italy in just 30 minutes by train.

This intimate new residence blends harmoniously into its environment.

The 2 to 4-room apartments offer beautiful volumes. Some of them have large terraces which constitute real additional living rooms, in this region where the sun shines more than 300 days a year.

## Buying French Property Just Got Easier...

The purchase process typically starts once you've visited a property with one of our agents and you made an offer on a property. Once your offer has been accepted, the property will come off the market and our local bilingual expert will liaise with you and the notaire. The compulsory searches are at the charge of the owner / vendor and are carried out at this stage.

You would have already been informed about the property taxes and legal fees (that incl. the stamp duty). The agency fees are already included in the listed price on this document, there's no premium for the superior service we offer. You don't have to pay the deposit until the 'pre-contract' has been signed, and the 10 days calling off period has expired. It takes an average of three months to buy a property in France.
