It is a 3-storey residential complex with modern and contemporary finishes. From the first floor with garden to the penthouses with large terraces, which have undoubtedly been designed to be welcoming, functional and sustainable spaces, and to enjoy the charming climate that the area offers. Whether you want to live there or just spend your holidays here, this resort offers you the lifestyle you deserve.

The complex has an underground access where parking spaces and storage rooms are located. In order to ensure more space for the secure common areas, vehicle traffic is entirely through the basement.

The units feature open-plan kitchens with large windows to maximize natural light throughout the interior space. With an open kitchen integrated into the living room and dining room, an efficient and comfortable distribution is allowed, in order to offer the best organization of the space. All apartments include a fully furnished kitchen equipped with SIEMENS, electric shutters and the installation of LED spotlights.

In addition, a high-efficiency arothermal system is included, which serves both hot water production and hot/cold air production. This system is totally responsible towards the environment, since it uses renewable energies, saving 78% of electricity consumption.

The expansive communal areas designed with pedestrian paths cross beautiful garden areas, allowing for harmonious mobility where you can enjoy a walk and go to the leisure and relaxation areas of the complex. From an infinity pool with spectacular panoramic views of the sea and the African coast, where the sunsets will undoubtedly take your breath away.

1 hour and 15 minutes from Malaga airport.

35 minutes from Marbella.
