In this enviable project, you will find penthouses and one- to three-bedroom apartments, all with garage space included, and many with a storage room. In addition, a multitude of equipment has been designed to improve your daily life. Here are some of the most notable elements: Precision-designed interiors. Living spaces with generous proportions. Large windows and sliding doors. An open living space, naturally light and airy. A fully equipped gourmet kitchen, inspired by a chef. High-end appliances and accessories. Designer bathrooms. At the heart of the project is the All Seasons Premier Resort, with its many facilities, ideal for sports and leisure at any time of the year. The entire project has been designed to harmonize with its natural environment. The winding hills of Mijas provide the perfect setting to enjoy incomparable views of the Mediterranean.
