Residential complex offering you different housing alternatives, designed to meet your needs. It's time to choose. Nueva Andalucia is a well-designed and attractive area located to the west of Marbella where, as the name suggests, the villas and apartments are based on traditional Andalusian architecture and design. Nueva Andalucía is the largest district of Marbella, spanning several square kilometres. Today, its main attractions are its expansive residential area, reasonable access to the motorway and Marbella and, for many, a short taxi ride home from Puerto Banús' nightlife. As a large residential area, it has many small shopping malls and restaurants for those who don't want to venture outside, rain or shine.
